EXPLANATORY NOTES **(For 11 Month Period Ending Dec. 31, 1944)**

Previously the fiscal year has been from February 1st through January 31st. The Town has changed to a calendar year for its accounting. For this reason, this report covers a 11 month period from February 1, 1944 through December 31, 1944.

* During February 1944, the Town reduced the \$4,000.00 Town Note principal by \$2,000.00—or down to \$2,000.00. This \$2,000.00 payment was applied to the Asahel Collins School Fund (Part) principal of \$2,550.00, reducing the principal of this Fund in the Town Note to \$550.00. The \$2,000.00 payment was invested in U. S. Government Bonds (Series G) and earmarked as the "Asahel Collins School Fund (Part)."

† Originally, the George F. Stone Cemetery Fund, was established as a \$100.00 fund. In May 1944, Beaver Brook Lodge No. 36, I. O. O. F. of Keene, N. H. added \$50.00, making the principal, \$150.00. This additional \$50 was deposited with the original fund in the Loan & Trust Savings Bank.

‡ Of new cemetery funds or additions to cemetery funds received during the 11 month period, \$1,600 was invested in the Savings Bank of Walpole as follows:

\$100.00	George O. Richardson Cemetery Fund (created in January, 1944 by Charles T. Richardson, Administrator; the income to be used only for the perpetual care of cemetery lot No. 71 in Pine Grove Cemetery).
50.00	Henry H. Trombley Cemetery Fund (created in January, 1944 by Fred D. Hemenway, the income to be used only for the perpetual care of cemetery lot No. 109 in Pine Grove Cemetery).
125.00	Clara E. Wood Cemetery Fund (created in January, 1944 by Fred D. Hemenway, Administrator; the income to be used only for the perpetual care of cemetery lot No. 89 in Pine Grove Cemetery).
100.00	Minot E. Wheeler—William J. Farrell Cemetery Fund (created in January, 1944 by Mrs. Beatrice L. Wheeler, wife of Minot E. Wheeler, and William J. Farrell, himself; the income to be used only for the perpetual care of lot No. 80 in Pine Grove Extension Cemetery).
150.00	Lavater M. Flint Cemetery Fund (Part): This \$150.00 addition (created by Ernest F. Flint, son, in February, 1944) added to the original \$50.00 fund (created previously by the late Mrs. Clara E. Flint, wife) now makes the total fund amount to \$200.00. Income from this fund is to be used for the perpetual care of the Lavater M. Flint cemetery lot in Pine Grove Cemetery and any income not needed for the Lavater M. Flint lot shall be spent on the Ivers Flint cemetery lot in Graniteville Cemetery.
150.00	Charles A. Bemis Cemetery Fund: Created in March, 1944 from funds in the Mary L. Bemis Estate, the income to be used only for the perpetual care of the Charles A. Bemis Cemetery lot in Graniteville Cemetery.
100.00	Helen B. Wright—A. Pearl Knight Cemetery Fund: Created in April 1944 by Mrs. Mildred K. Fiske, the annual income to be used for the perpetual care of cemetery lot No. 73 in Pine Grove Cemetery.
100.00	James Newell Cemetery Fund: Created in May, 1944 by Byrd Newell, the income to be used only for the annual care of the James Newell cemetery lot in Graniteville Cemetery.
150.00	White—Dustin Cemetery Fund: Created in May, 1944 by Mrs. Mildred J. Norrby (Mrs. Eric Harold Norrby, 9 Langdon Ave., Watertown, Mass.), grand daughter of John Milton White, the annual income to be used for the perpetual care of the White—Dustin cemetery lot in Pine Grove Cemetery.
150.00	Dexter—Mason Cemetery Fund: Created in June, 1944 by Vandelia A. Dexter, 95 Prescott St., Cambridge, Mass., the annual income to be used only for the perpetual care of the Dexter—Mason lot in the Marlboro Cemetery (old part).
75.00	Elfreda M. Knappeton Cemetery Fund: Created in June, 1944 by herself, the income to be used only for the perpetual care of lot No. 138 in Pine Grove Extension Cemetery in Marlboro, N. H.
150.00	Jonathan Bemis Cemetery Fund: Created in June, 1944 by W. H. Putney, 123 Day St., Fitchburg, Mass. at the request of Mrs. Marie L. Robbins, the income only to be used for the perpetual care of the Jonathan Bemis lot No. 37 in Graniteville Cemetery.
100.00	Arthur H. Parker Cemetery Fund: Created in July, 1944 by Arthur H. Parker; the annual income to be used only for the perpetual care of cemetery lot No. 129 in Pine Grove Extension Cemetery.
100.00	Fred Kauppi Cemetery Fund: Created in October, 1944 by his wife, the annual income to be used only for the perpetual care of ½ lot No. 118 in Pine Grove Extension Cemetery.

\$1,600.00

§ The following addition to the cemetery funds (received during the 11 month period) was deposited in the Laconia Savings Bank:

\$500.00 George A. Porter Cemetery Fund: This fund was originally created prior to Jan. 31, 1931 in the amount of \$100.00. \$50.00 was added in May, 1944 by Alice L. Porter, 30 Walnut St., Claremont, N. H., increasing the principal to \$150.00, the income to be used for the perpetual care of the George A. Porter lot in Pine Grove Cemetery.

¶ During February, 1944, the Trustees received \$2,000.00 from the Town of Marlboro which reduced the \$4,000.00 Town Note (3½%) to \$2,000.00. The Asahel Collins School Fund (Part) of \$2,550.00 which was invested in this note was thereby reduced to \$500.00. The \$2,000.00 payment was invested in U. S. Government Bonds (Series G). This transaction was accounted for in the 1943-44 Town books; however, since the payment was not received by the Trustees until after January 31, 1944, we have accounted for same in the 1944 eleven month period.

|| In accordance with the vote at the 1942 Town Meeting, the interest from this fund is to be allowed to accumulate until enough interest money is available to buy new seats for the Town Hall.

The \$150.00 Minot W. Towne—Chester A. Thompson Cemetery Fund was originally created on May 14, 1943 by Mrs. Grace E. Towne (wife of Minot W. Towne) in the amount of \$150.00 and known as the Minot W. Towne Cemetery Fund. On May 15, 1944, Mrs. Grace E. Towne advised that she had sold ½ of lot No. 65 to Fred D. Hemenway, Administrator of the Estate of Chester Arthur Thompson and the fund is now to be known as the Minot W. Towne—Chester A. Thompson Cemetery Fund, the income to be used only for the annual care of cemetery lot No. 65 in Pine Grove Cemetery.

In January, 1945, the Trustees received \$2,000 to establish a new fund and add to two previously established funds as follows:

\$1,000.00 Fred D. Hemenway School Children's Health Fund: Created by him on Dec. 29, 1944 and received by the Trustees during the 1945 calendar year. The income to be "paid over as earned and to be expended by the Marlboro District Nursing Association or such agency as may perform the work now performed by it for health measures in connection with children of school age in the Town of Marlboro. Any accumulation is to be expended in the next calendar year." (This fund has been invested in a U. S. Government Bond).

\$500.00

Fred D. Hemenway Trust Fund. This addition to the original \$1,000.00 fund now makes the principal \$1,500.00. Although given by Fred D. Hemenway on Dec. 30, 1944, it was received by the Trustees during the 1945 calendar year. (This addition has been invested in Peterborough Savings Bank with the original principal).

\$500.00

Mary C. Hemenway Cemetery Fund: This addition to the original \$2,000.00 (invested in a U. S. Government Bond) now makes the principal \$2,500.00. Although given by Fred D. Hemenway on Dec. 30, 1944, it was received by the Trustees during the 1945 calendar year. (The addition has also been invested in a U. S. Government Bond).

The above funds totaling \$2,000.00 as given by Fred D. Hemenway are accounted for in 1944 Town books (11 month period); however, since the money was received by the Trustees after January 1, 1945, our accounting will indicate these in our 1945 year's report.

In January, 1945, the Trustees received \$2,000.00 from the Town of Marlboro which paid up the \$2,000.00 Town Note (3½%). The Asahel Collins School Fund (Part) of \$550.00 and the various Cemetery Funds amounting to \$1,450.00 which had been invested in this fund, were reinvested in various savings banks. This transaction is accounted for in the 1944 Town books (11 month period); however, since the payment was not received by the Trustees until after January 1, 1945, our accounting will indicate this in next year's report.

Respectfully submitted,

TRUSTEES OF TRUST FUNDS,
TOWN OF MARLBORO, N. H.
CHARLES B. KNIGHT,
(Mrs.) KATE K. DAVIS,
ROLAND A. WHITNEY,

Trustees.

REPORT OF FROST FREE LIBRARY 1944 ANNUAL MEETING

The annual meeting of the officers and trustees of the Frost Free Library was held October 14th, 1944 at the Library, eight members being present, with President Rufus Frost in the chair. Divine Blessing was invoked by Rev. Marshall O. Eck of the Federated Church.

The Secretary's report of the 1943 meeting were read and accepted. The Treasurer's and Auditor's reports for the year 1944 were read and accepted. The Treasurer's report is printed elsewhere in this Town Report.

The Librarian, Mrs. Helena Croteau, read an interesting report which was also accepted, and which is also printed in this report.

Miss Ruth Hememway reported for the Book Committee that \$222.12 had been spent this past year for new books.

There was some discussion about the question of removing books from our shelves, books which were no longer read or of worth, as the Librarian reported a shortage of space for the new books. It was finally moved to ask Miss Pratt of the State Library of Concord to come to our Library and advise which books should be removed.

The matter of providing fuel for the ensuing year was left in the hands of Mr. Charles T. Richardson and Mr. George Smith.

It was voted to ask the Town to appropriate \$300.00 toward the support of our Library.

It was voted that the Secretary write to the heirs of the late Lee S. McColleston as to the final disposal of the case of curios which was placed in the Library by his Father with the understanding that Mr. Lee McColleston would advise us as to what he wished done with them.

The following officers were re-elected for the ensuing year: President, Mr. Rufus Frost; Vice-President, Mrs. Mabelle Page; Treasurer, Mr. Fred D. Hemenway; Secretary, Miss Ruth Hemenway; Auditor, Mr. Charles T. Richardson; Librarian, Mrs. Helena Croteau.

It was voted that the Executive Committee for the ensuing year should consist of the Trustees, Selectmen and Ministers.

The Book Committee shall consist of Miss Ruth Hemenway, Mrs. Mabelle Page and Mrs. Helena Croteau.

The meeting adjourned at 8.35 p. m.

Respectfully submitted,

RUTH E. HEMENWAY,

Secretary.

LIBRARIAN'S REPORT

To the president and trustees of the Frost Free Library the librarian submits the following report for the year ending Oct. 14, 1944.

The library has been open 121 times with a circulation of 5,834 books, 3,562 of which were adult fiction, 1,798 juvenile fiction and 474 non-fiction.

The total circulation of magazines was 4,209. Omnibook was added to our subscription list of magazines. This makes a total of 44 magazines. We are also indebted to Mr. Knox, Mrs. Bryant, Mr. Wilcox and the W. C. T. U. for numerous copies of other magazines.

185 new books were added during the year. Mr. De Forest gave 5 volumes of the "Letters and Addresses" of Franklin D. Roosevelt. Also a new up to date Atlas of the World was purchased for the library. We are very grateful to Mr. Rufus Frost for a copy of "Audubon's Bird Book.

The extension service of the University of New Hampshire have found the library a good medium for getting many of their leaflets on food and canning to the public. Many other booklets have been put into the library.

Two of the state librarians Miss Pratt and Mrs. McKay made a visit to our library the latter part of the summer. Miss Pratt returned later going through the books and discarding many which gives us room for the newer books.

At this time we wish to extend our thanks to the Frost heirs and to all those who have cooperated the past year to make the library worthwhile and helpful to the public.

REPORT OF HEALTH OFFICER

There has been no serious epidemic the past year. As usual, there has been some chicken pox, whooping cough, and less serious children's diseases.

Several complaints in regards to sanitary conditions were disposed of in the best way possible.

WILFRED ARSENAULT,
Health Officer.

MARLBORO COMMUNITY NURSING ASSOCIATION

The Marlboro Community Nursing Association submits the following reports for the year ending Dec. 31, 1944.

Our association ends its year with all financial obligations paid and a balance in the treasury. It was voted at the annual meeting to ask the citizens of the town for \$1,000 this year. A better response to our membership drive and the increased number of calls make this possible.

We wish to thank all who made the membership drive a success. Again we wish to call to your attention the fact that your dollar entitles you to membership in the association and voting power at the annual meeting to which we wish more citizens would attend.

The shortage of doctors and nurses still exists and a much greater need of our district nurse is apparent. There were 2,100 calls made this last year as compared with 1,190 the year before. This was a record number in the history of the association. There have been more chronic cases than ever before and the hospital is able to take them for only a very limited time.

The usual clinics were held during 1944 details of which will be found in the nurse's report.

An increase of \$10 a month was granted the nurse. However she benefited but very little from it due to the increased tax.

The Nursing Association wishes to extend sincere thanks to Mrs. Parker and her staff and to Mrs. Lang and Miss Tuttle for loyal support in transmitting calls to Miss Robbins. To all friends, officers and directors of the Association and to our faithful nurse, we extend our sincere thanks and appreciation.

Respectfully submitted,

HELENA CROTEAU,

President.

On June 8th a pre-school and Diphtheria Toxoid Clinic was held at the Community House under the direction of the State Board of Health and sponsored by the Nursing Association. Sixty-four children were given physical examinations by Dr. Walter F. Taylor of Keene and Dr. Samuel E. Paul of Troy. Fifty children were given diphtheria toxoid on this date. On July 20th thirty-eight of the fifty children, who were given the diphtheria toxoid on June 8th returned for a second injection of the toxoid. This being given by Dr. Samuel E. Paul. We regret that the other twelve children did not return for the treatment.

During the summer thirteen people were taken to Hanover to the Dartmouth Eye Clinic.

There has been very little welfare work this year.

A report of the school work will be found among the school reports.

In closing I wish to thank the people for their splendid cooperation at all times and to express my appreciation to Mrs. Harriet Parker and her staff for transferring calls to Miss Edith Tuttle while I am away from the house and to Miss Tuttle for receiving the same so graciously.

Respectfully submitted,

DELLA A. ROBBINS, R. N.

REPORT OF HEADMASTER OF HIGH SCHOOL

Mr. John H. Frye, Superintendent of Schools, Marlboro, N. H.

I herewith submit my second annual report as Headmaster of Marlboro High School.

ENROLLMENT

The total number of pupils enrolled this year in the Senior High School is 61, while in the Junior High School 39 have been registered. In the Senior High this is the same number as was registered up to this time last year. There is a decrease of four pupils in Junior High, as compared to last year's enrollment. The enrollment of the two groups when grouped according to grade and sex is as follows:

Junior High School:

	Boys	Girls	Total
Grade VII	10	11	21
Grade VIII	6	12	18
	—	—	—
Totals,	16	23	39

Senior High School:

	Boys	Girls	Total
Grade IX	11	8	19
Grade X	5	7	12
Grade XI	5	11	16
Grade XII	7	7	14

Of the above numbers three boys are not in school now, one having left for employment, one having moved away, and the third being registered at the University of New Hampshire as a special student in agriculture. This boy will have the credits which he earns at the University transferred to this school and will be eligible to receive his diploma here upon the completion of his work at Durham.

ATTENDANCE

The attendance record this year has been good and I think we may feel pleased with the spirit of loyalty and pride in the school records which prevails among the students. The following have perfect records since the opening of school this year:

Grade VII	Helen Hendrickson, Marion Worcester.
Grade VIII	Doris Robichaud, Carl Russell.
Grade IX	Doris Brown, Caroline Clark, Jean Croteau.
Grade X	Philip Desjardins, Dorothy Reed.
Grade XI	Ruth Brown, Jane Hall, Gordon Mullally, Priscilla Richardson.
Grade XII	Lois Applin, Joyce Arsenault, Phyllis Hall, Herbert Richardson.

SCHOLARSHIP

The scholastic marks of most pupils have been satisfactory. In some cases improvement could be made by the pupils through more home study and more diligent application to work assigned.

The honor rolls which follow contain the names of about 40 per cent of the pupils enrolled in Grades 7-12 for the school year 1943-1944.

High Honor—Average of 93 or higher:

Seniors:	Juniors:
Corinne Clark	Herbert Richardson

Mr. Irvin Gordon: Headmaster; Mathematics (12), Chemistry, Economics, Geometry, Science (7-8), Athletics.

FINANCIAL REPORT

Last fall a new system for handling the finances of the various student organizations was introduced. Under this system all students' money is paid to the treasurer of the Student Activities Association. The money is deposited and all stu-

dents' activity bills are paid by check which requires the signatures of the student treasurer and the headmaster. The financial condition of the various organizations is here shown:

	Balance Sept., 1944	Receipts	Expenses	Balance Jan. 31
Class of 1945,	\$25 94	\$546 85	\$247 05	\$325 74
Class of 1946,	6 45	139 95	14 50	131 90
Class of 1947,		35 95		35 95
Class of 1948,	50	15 40		15 90
Athletics,	19 23	375 65	250 53	144 35
General fund,	75 00	140 52	11 00	204 52
Totals,	\$127 12	\$1,254 32	\$523 08	\$858 36

The general fund contains several minor accounts such as Junior Red Cross, etc. The larger portion of the money has come from the sale of salvage material.

PARTICIPATION IN WAR EFFORT

During the school year 1943-1944, sales of war stamps and bonds in Grades 1-12 totaled \$2,595.30. Salvage paper which was collected last year was sold for \$109.40. This year the school has continued its active support of the war effort. With the exception of one month we have been able to fly the Minute Man Flag which indicates a 90 per cent or better participation of the pupils in the stamp purchase program. A goal of \$1,950. the amount necessary to purchase a Field Ambulance was set for purchases between September and Pearl Harbor Day, December 7. We are proud to report that the goal was exceeded. Total sales through December 7 were \$2,161.30, while the grand total for this school year is \$2,895.65.

The school has conducted two scrap paper drives thus far this year. Slightly more than twelve thousand pounds have been collected. In addition, salvage tin has been collected.

The school participated in a new feature of the War Program last fall when the pupils collected 85 bags of milkweed pods, which when dried yield a floss for use in making life preservers. Over a million bushels of this most vital material

were collected by pupils in this country last fall. In addition to the above, several pupils have part time employment with local industries which are engaged in the production of war materials.

EXTRA CURRICULAR ACTIVITIES

One of the first big events of the year was the annual initiation and reception to the Freshmen. This was well carried out by members of the Sophomore Class.

The Junior Class sponsored a successful Halloween Dance, and deserved much credit for their capable management of the affair. A new activity this year is the publishing of a series of booklets containing school news, feature articles, editorials, humorous sections, and art sections. This project is being carried on by the Junior Class. To date one issue has been printed with others due to appear in March and June. The work of mimeographing and binding the booklet is done by the class in Office Practice.

A Special Committee composed of representatives of all the classes have sponsored several assemblies, including the Armistice Program and the Christmas Party. Several movies of an educational nature have been shown.

Students have contributed to the support of the Junior Red Cross and the March of Dimes Campaign.

CLASS OF 1944

A few words about the graduates of last June may be of interest here. Of the group of twelve students, three are in the Armed Forces. One enrolled in each of the following colleges: Middlebury, University of New Hampshire, and Keene Teachers. One student is at the Boston School of Dental Nursing, two are married, and the other three are employed as office workers. The fact that four of the twelve graduates are receiving higher education is commendable under present conditions.

Ten members of the class accompanied by the Headmaster and Mrs. Gordon enjoyed a six-day trip to New York City during the April vacation. The trip was very educational and may justly be considered one of the highlights of the year for the

group. The educational value of this type of thing cannot be overlooked.

The Class left a gift of money to the school to be used for the procuring of a new trophy case. This case has been constructed and will be in its place very soon.

ATHLETICS

My last report to you mentioned the return of the school basketball teams to membership in the Monadnock League. The teams were very successful I think, when we consider that all of the other schools represented in the League have considerably larger enrollments than this school does. The boys' team won the boys' division while the girls' team was defeated in a championship play-off, but held undisputed possession of second place.

The boys' team received an invitation to compete in the State Interscholastic Tournament at Durham and reached the finals in Class C, but was defeated by a two-point margin by Vilas High of Alstead. Two members of the team, Robert Beauregard and Herbert Richardson, received honorary positions on the all-tournament team.

Another invitation found the team playing inspired ball to win the annual small schools tournament at Townsend, Massachusetts. The competition here was somewhat stronger than at Durham, but victories over Concord, Massachusetts; Milford; Peterboro; and Tewksbury, Massachusetts, gave Marlboro the championship.

In March, the teams were honored at a testimonial dinner sponsored by the townspeople, merchants, and industrial plants. All members of the teams were presented basketball charms.

A rather abbreviated baseball season saw the team breaking even in eight games.

This current season has been fairly successful. Both teams have excellent chances of winning second place in their respective divisions of the Monadnock League. The girls squad being coached by Miss Kenneally includes the following:

Gloria Beauregard, Captain	Theresa Germain
Jeannette Thoin, Manager	Joyce Arsenault

Jill Knight	Genevieve Everard
Janice Barron	Madolyn Lewis
Pat Knight	Jessie White
Theresa L'Heureux	Barbara Yardley
Patricia L'Heureux	Jean Croteau
Mildred Thoin	Pearl Pelletier
Evelyn Croteau	

The boys' squad is composed of the following:

Herbert Richardson	Harold Croteau
Arthur Croteau	Wallace Greene
Jesse Ward	Russell Mullally
Napoleon Benoit	Arthur Williams
Gordon Mullally	Ronald Beauregard
Freeland Yardley	Joseph Cheney
Alfred Croteau	Walter Sanders, Manager

At present their record is 12 games won and 4 games lost. Seven games remain to be played on the regular schedule. Hollis High, Laconia High, Kennett High of Conway, and Manchester West High are newcomers on the schedule this year.

A limited program for the Junior High pupils has been carried on and will be expanded at the close of the regular season.

CONCLUSION

In conclusion, I wish to extend my thanks to you, to the members of the School Board, to the teachers, to the school nurse, to Mr. Coogan, Mr. Hendrickson, and to the parents, for the fine spirit of cooperation without which the success which has been achieved would have been impossible.

The whole-hearted way in which the townspeople support our activities is a true indication of their continuing interest in us.

Respectfully submitted,
 IRVIN H. GORDON,
 Headmaster.

REPORT OF SCHOOL NURSE

The following report is submitted to Mr. John Frye, Superintendent of Schools:

Owing to the prevalence of illness less calls have been made to the school during the year, however the usual work has been carried on with the help of the teachers.

The annual physical examinations of all the pupils was done in September by Dr. L. G. Hildreth, assisted by Della A. Robbins, R. N.

208 pupils were examined.

3 pupils showed defective hearing.

10 pupils showed defective tonsils.

30 pupils showed defective vision.

3 pupils showed defective hearts.

Dental Clinic: The teeth of all the pupils were examined by Miss Frances Blodgett, dental hygienist from Dr. Erwin Adams' office. Defects were charted and notices of same, together with recommendations were sent home to parents. Miss Blodgett cleaned the teeth of all the pupils who wished to have it done through the clinic. The dental work was done in Keene at the offices of Drs. Robert Barnard, Erwin Adams and L. J. Metevier

Sixty-four pupils had complete dental work done during the year. Again this year the dental clinic is being conducted in much the same manner.

Audiometer Test: All pupils above the third grade were tested with the audiometer this fall.

140 pupils were given the test.

8 pupils showed loss of hearing in one ear only.

Tuberculin Skin Test: 72 pupils of the Junior High and High schools were given the Tuberculin Patch Test. Three pupils showed slight reactions. These pupils were taken to Keene for chest X-rays—all of which showed negative plates.

Thirty-six pupils have received free milk and Cod Liver Oil from December to May. These being served by the teachers. We feel the children received a great deal of benefit from both the oil and milk.

The new room for the nurse and teachers is greatly appreciated and will be very nice when fully equipped, my thanks to the school officials and to the Parent-Teachers Association for their assistance in giving certain furnishings.

I wish to thank all who have helped to make this a successful year.

Respectfully Submitted,
DELLA A. ROBBINS.

REPORT OF THE SUPERVISOR OF MUSIC

Mr. John H. Frye,
Superintendent of Schools,
Marlboro, New Hampshire.

To the Superintendent of Schools:

Music as an educational activity has a far reaching influence. It demands fine discrimination in tone, in shading, and in quality. It demands an adequate memory often exercised on a complex and involved whole. It demands a degree of accuracy in performance that is comparable for exactness with nothing less than an involved mathematical operation; and beyond the operation it forever makes for artistic form. It demands self-government, to a degree that no other art can approach. Every physical process—breathing, enunciation, tone control, tone gradation,—is forever required to be brought under a degree of centralization in order that an immediate and perfect response may be realized.

To summarize the teaching of music:—the children have by training and study (1) learned an art, (2) learned the process of voicing it, (3) produced an artistic result through intellectual mastery expressed by the body. For in this expression the physical body is the instrument and the indwelling self is the performer.

Supervision of music in the grades has been carried on through weekly visits to the several classes. The work in the early grades centers about tone production, rhythms, rote songs, note reading, and the clearing up of so-called monotones. In the upper grades staff work, two and three part songs, interpretation and appreciation, are being taught. Satisfactory progress is being made.

In the High School there is a music period for the girls and one for the boys. Interest in music is being maintained and the girls and boys are doing some excellent work.

The orchestra work has not progressed as well as could be desired. This is partly due to the strained conditions caused by the war. It is almost impossible to do after school work because so many students are working after school. When the war is over concentrated effort will be made to make the orchestra one of our featured departments of our musical work.

Respectfully submitted,

ARTHUR T. COOGAN,

Supervisor of Music.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Marlboro:

I herein submit my second annual report as superintendent of schools.

The issues that confront the American school system in general have become much more acute since my last report. The teacher shortage, the scarcity of materials, the run down condition of school plants due to neglect during the depression and the lack of home supervision of pupils because of the total war effort are now serious problems. Despite these shortages the town of Marlboro has been able to provide adequately for the health, safety and welfare of its youth according to traditional standards. However, some revisions based on careful consideration must be made in our schools if they are to be equipped to meet the responsibilities of the post-war world.

The greatest internal national problem of America after complete victory concerns the physical and mental condition of its people. Statistics indicate "that over 1,000,000 children in the public schools of United States today will some time go to mental hospitals if we follow the pattern of the past." The selective service picture of physical unfitness proves the need for preventive action now and in the future. The rejection of registrants was high, 50 per cent, and that 1,000,000 of the first 2,000,000 men examined were denied military service because of physical and mental defects. This lack of good health and of physical fitness prevails among the youth of the country because the nation has failed to recognize the importance of these things and to make the necessary provisions for prevention and cure of unfitness. The greatest improvement will come through education. The revised health program must include the following constructive recommendations, to quote:

1. Help everyone to learn physical fitness needs.
2. Protect against preventable defects.
3. Attend to correctible defects.
4. Learn how to live healthfully in body and mind.
5. Act to acquire physical fitness.
6. Maintain higher standards of physical fitness.
7. Provide the facilities in our schools for all these essential objectives.

The new challenge of "Education for World Understanding" implies many new responsibilities. This new and broader concept indicates that our schools must be strengthened if we are to win and maintain the peace.

The present is not an appropriate time for recommendations concerning additional school facilities due to limited personnel and the shortage of material. A study of the situation might be made now in order that the schools will be better prepared to meet the immediate problems of the post-war world. A more complete report at the next regular district meeting in March 1946 might be a valuable contribution to the future welfare of this community. Careful maintenance is now the most significant factor in upholding these standards.

ORGANIZATION AND CLASSIFICATION

Grade	Teachers School Year 1943 '44	Total Enrollment for School Year Ending June 1944	Pupils Promoted June 1944
7-12	Irvin H. Gordon, Hdm. Winifred Mager Pearl Farman Phyllis Osgood Elizabeth Richards (4 mos.) Hope Amos (6 mos.) Elizabeth Arsenault	102	93
6	Ruth Nason (20 weeks) Rose Hackler (17 weeks)	19	19
5	Grace Ingham	18	17
4	Claudia Croteau	27	24
3	Frances Cushing	22	20
2	Vera Pinkham	21	20
1	Mabel Molt	29	22
1-12	Arthur Coogan, Music Sup.		
Totals,		237	215

The large difference between the number of pupils promoted and the total number enrolled does not determine the number of pupils retarded due to the fact that twelve pupils became non-members during the year.

There were three changes in the high school teaching staff at the close of the school year. Winifred Mager having resigned to accept a position in the commercial department of a larger school system was replaced by Ann Kenneally of Belmont, Mass. Miss Kenneally is a graduate of Boston University, School of Arts and Letters, and has had other successful teaching experience in New Hampshire high schools. Pearl Farman having resigned was replaced by Helen St. George, a graduate of New Hampshire University, also an experienced teacher. Phyllis Osgood having resigned, was replaced by Shirley Lund, a graduate of Keene Teachers College in June 1944. I think we are fortunate in maintaining the services of the present teaching staff, especially the services of Headmaster Gordon.

Lars Anderson resigned as custodian of the school buildings in November 1944. His skill as a carpenter and interest in the youth of the community still pays dividends. Mr. Anderson teaches woodworking to the boys in grades seven and eight. We are fortunate to obtain the services of Granville Clark who assumed the duties of janitor and building custodian on December 1, 1944.

SPECIAL ACTIVITIES

The reports from the Headmaster, the Music Supervisor and the School Nurse are included with this report. These summaries are inclusive and merit careful consideration.

The schools have cooperated in every way with the war effort.

The achievement of the athletic teams have reflected with great credit on the town of Marlboro, not only for the victories won—but also for the spirit of good sportsmanship that has prevailed. The fine tribute from the townspeople of this community to the players of the Marlboro High School Championship Basketball team of 1943-1944, and their excellent coach, Mr. Gordon, is an outstanding event in the history of the school.

I think that definite provisions should be made for more extra-curricula activities for the boys and girls in the elementary grades.

The Parent-Teachers Association has been revived and has a constructive program. Some equipment for the school nurse has been purchased and installed in the teachers room at the school by this organization during the present school year.

CONCLUSION

I wish to thank the parents, teachers, citizens, and school officials for that cooperation which is so essential in public education.

Respectfully submitted,

JOHN H. FRYE,

Superintendent of Schools.

Marlborough, N. H., Jan. 26, 1945.

THE STATE OF NEW HAMPSHIRE

(TOWN WARRANT)

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.
